Athletes: Arrive **in uniform ready to perform.** in the designated areas on the back. **The warm-up times are times we are to be on the warm-up floor, not your arrival times.** Please try to watch and support as many of the Cougar Squads and Individuals as possible. We really want to try to sit together and cheer for our teams as a large group.

Parents: Please drop off all athletes in **Section 113** at their arrival time! Section 113 is to the LEFT after entering the Alamodome. We will have teams competing on two different floors for this competition. "A" FLOOR is to the right after you enter - Sections are 130 - 135. MAIN FLOOR Sections are in the front as you enter. Cougar fans can sit together near **Sections 102-103 for the Main Floor.** Parents please pick up **ALL** athletes in **Section 113** after they compete. Please note that the times listed below are tentative and Cheer Power may change them at any time. The program will have the most current times when you buy your arm bands.

TEAM ARRIVAL TIMES:

I want all teams to arrive at least one hour and fifteen minutes before their warm-up times. If you are on time, the less stressed I'll be! Unless there is a major emergency, you need to be at the competitions on time and ready to perform. We are scheduled for specific times and we must be ready to warm-up and perform when it is our turn. I really appreciate your cooperation with this. Please be on time!
